Dear Mr. Vytenis:

Thank you for your letter of the second concerning IBS Programming forms. Four of the five forms we print are in the 9.00 section of the Master Handbook. The fifth (127) is being added in this supplement.

Both of our program logs are in the 39.00 section of the Handbook. I'm sorry that we do not print anything close to the form you sent... so I have sent 500 P-126 Logs to you, along with several order forms for future use. The logs are \$1.00 per hundred.

I hope that this action meets with your approval, and that you have the logs soon. Thank you for your order.

Sincerely,

Tom McCloud
Office Manager
